Our sincere condolences go out to Marg Morrow (Histology) on the death of her father, to Brian Rider (Histology) on the death of his mother and to Margaret Croft (HDH) of the death of her father.

### Milestones

Congratulations to Blake Gubbins on 25 years service.

## Upcoming Events

**Holiday** The University, and KGH will be closed on Monday, February 17, 1997 for Heritage Day.

### Faculty Annual Report Forms

Faculty members are once again required to submit the Annual Report of his/her activities to the Faculty of Medicine Office by **March 17, 1997**. The reporting period has not been changed to the academic year as previously discussed. This report will be for the period 1 January 1996 to 30 December 1996. As these are due in the faculty office by March 17th and Dr. Manley must review

and sign each report he is requesting they be submitted to his office no later than **February 25, 1997**. Please submit your report and C.V. in duplicate to Dr. Manley by this date. A word perfect 6.1 version of the annual report form is on the network under: *f:\general\annrep96.wp6* It is write protected so copy it to your local work area first!

### ASCP/CAP

The American Society of Clinical Pathologists and the College of American Pathologists are inviting participants to submit their abstracts for their fall meeting September 20-26, 1997 in Philadelphia, PA. The postmark deadline for submission is **April 11, 1997**.

### Louis & Artur Lucian Award

McGill University would like your nominations for the nineteenth annual Louis and Artur Lucian Award for Research in Circulatory Disease. This Award was established through a bequest to McGill University under the will of the late Olga Leibovici. This Award is designed to honor outstanding research in the field of diseases of the circulation. The successful applicant is invited to spend a period of time at McGill University (a minimum of two weeks during the academic year) to have interchanges with the members of the McGill community and possibly to undertake a research collaboration with McGill investigators in the field of circulatory disease. The awardee or awardees receive \$40,000 Canadian as a prize. The Award provides for financial support of the investigators and their families during their visit. The deadline for nominations is **April 1, 1997**. For nomination forms contact the faculty office, 237 Botterell Hall.

## Positions

## Available

### Academic General Pathologist/Anatomical Pathologist, University of Saskatchewan

Applications are invited for an Assistant Professor (without term) faculty position in the Department of Pathology, College of Medicine, University of Saskatchewan. Responsibilities include undergraduate and resident teaching, and service primarily to the Royal University Hospital. The candidate should be eligible for or hold certification in General Pathology/Anatomical Pathology from the RCPSC, and be eligible for licensure in Saskatchewan. The candidate should have a defined commitment to a personal research program. Preference will be given to those with certification in or eligibility for General Pathology or training and experience in one or more areas of General Pathology. The University of Saskatchewan is committed to the principles of Employment Equity and welcomes applications from all candidates. Women, people of aboriginal descent, members of visible minorities, and people with disabilities are invited to identify themselves as members of these designated groups on their applications. In accordance with Canadian immigration requirements, this

advertisement is directed to Canadian citizens and permanent residents of Canada. Applications with curriculum vitae and names of three referees should be submitted no later than 30 April 1997 to: Dr. J. Kalra, Professor and Head, Department of Pathology/Laboratory Medicine, Royal University Hospital, 103 Hospital Drive, Saskatoon, Saskatchewan S7N 0W8.

### Ministry of the Solicitor General and Correctional Services

The Ministry of the Solicitor General and Correctional Services, Office of the Chief Coroner, is seeking to fill the position of **Forensic Pathologist**. The successful applicant will assist the Chief Forensic Pathologist in the

delivery of high quality forensic pathology services to coroners, police, crown attorneys, lawyers and courts in Ontario. For more information on this position see Barb in Dr. Manley's office.

### **Medical College of Virginia/Virginia Commonwealth University**

The Department of Pathology, Division of Clinical Pathology at the Medical College of Virginia/ Virginia

Commonwealth University is searching for an Academic Hematopathologist. Applicants must be board certified or eligible for certification in Hematology by the American Board of Pathology. The responsibilities for this full-time faculty position include education of medical students, residents, and fellows; diagnostic services in hematopathology; administrative appointment as Associate Director of the Hematology Laboratory; and an independent program of basic of clinical research. Applicants should have a demonstrated interest in academics to include teaching, independent research,

and scholarly publication. Academic appointment will be at a level commensurate with qualifications and experience. Interested individuals who meet these qualifications are invited to send a curriculum vitae to: Richard McPherson, MD, Professor and Chairman, Division of Clinical Pathology, Department of Pathology, Medical College of Virginia/ VCU, P.O. Box 980258, Richmond, VA 23298-0258, USA.

### **University of California**

The Department of Pathology, School of Medicine, University of California, Davis has openings for five full-time faculty positions at the Assistant or Associate Professor level. Responsibilities include service in Anatomic Pathology and require experience in one of the sub-specialties listed.

1. Director of Anatomic Pathology,

2. Director of Autopsy Services,
3. Transplant Pathologist,
4. Molecular Pathologist,
5. Pediatric Pathologist.

In addition duties include teaching of medical students and residents, and the development of a research program. Applicants must be licensed (or eligible) to practice medicine in California and Board Certified in Anatomic Pathology (except the Molecular Pathology position for which PhD candidates with suitable experience will be considered). The positions will be open until filled not later than **April 30, 1997**. Interviews will start shortly after that date. Applicants should send a resume including a statement of teaching and research interest, names and addresses of five references, and current curriculum vitae including publications to: Ralph Green, MD, Professor and Chair, Department of Medical Pathology, MSI A Room 3453, Davis, California 95616, USA.

### **Albert Einstein College of Medicine**

The Department of Pathology of the Albert Einstein College of Medicine and Montefiore Medical Center are recruiting a surgical pathologist who wants to work in an exciting academic environment. The candidate should be eligible for or certified by the American Board of Pathology. Fellowship

training and/or 1-3 years experience in surgical pathology is preferred. The applicant should have training or expertise in modern cellular or molecular pathology. Interests in subspecialty areas such as cytopathology or obstetric/gynecologic pathology will be viewed most favorably. This position will have responsibility for patient care, teaching and research activities. Interested applicants should submit a curriculum vitae and names of three references to: Michael B. Prystowsky, MD, PhD, Interim Chairman, Department of Pathology, Albert Einstein College of Medicine, Jack and Pearl Resnick Campus, 1300 Morris Park Avenue, F-538, Bronx, NY 10461, USA.

## Tales from the Crypt

(aka News from Autopsy)  
\*\*\* Intruder Spotted \*\*\*

A lone female wearing a mask and armed with a large number of potentially explosive balloons was encountered by autopsy technician Frank Borgerink in the autopsy suite while he was dissecting a 50th birthday (cake Fig. 1) thoughtfully provided by the residents. After some aggressive posturing and exchange of words, (Fig. 2) she was found to be quite friendly, particularly to Mr. Borgerink. (Fig. 3) Congratulations, Frank, and maybe we should

Figure 1

publish some more details from that poem she read, in the next newsletter (or maybe not...).

Figure 2

## Positions

## Wanted

LaVerne Russell, a laboratory technician with a BSc in Biology, who has worked in Dr. Forsdyke's Laboratory in the Department of Biochemistry for many years is looking for a position as a research assistant. If you are interested in hiring her and would like to see her curriculum vitae see Barb in Dr. Manley's office.

Ms Zhang Lining is looking for a research position in a laboratory. She has a Master of Medicine, Department of Microbiology from the Shandong Medical University, China. Her Laboratory skills include:

1. Electrophoresis of DNA on agarose gel, DNA purification, recombination and gene cloning.
2. DNA probe using random primers.
3. DNA hybridization (dot blot, Southern blot and in situ hybridization).
4. Detection of HBV DNA in serum or liver tissue of patients using polymerase chain reaction.
5. SDS-PAGE and Western

blotting. If you are interested in seeing her curriculum vitae see Barb in Dr. Manley's office.

### Research Applicant

Dr. Jie Liu is looking for a position as a research assistant, or postdoctoral fellow. If you are interested and would like to see a copy of his CV please see Barb in Dr. Manley's office.

## FYI

The Federal Budget is due to come out on Tuesday Feb 18. Last year's estimate of this year's deficit was \$24.3 billion, but is expected to be well under \$20 billion.

## United Way - KGH

A note of thank you to our canvassers David Clifton, Anne Marie Smith, Joanne Rippin, Nancy Spencer and Mike Rutherford and all those who supported this community effort this year. The Clinical Laboratories contributed \$4,345 towards the hospital's total of \$34,000.

"The need for the humanitarian organizations supported by the United Way has never been greater than at this time. The generosity of the staff having supported this endeavour both by personal donations through cash, payroll deduction or through the special events, such as, the 50/50 draws, etc. should be noted as you helped make a difference." Lou Franchi

## Vacancies on Senate Committees for Faculty/Students/Staff.

The Nominating Committee is searching for new Senate committee members. Membership terms start on September 1, 1997. The deadline for response to the Nominating Committee is **Friday, February 14, 1997**, with the exception of nominations to the University Promotions Committee which have vacancies for 2 tenured faculty members which must be filled by April 1997. For a complete list of the Committees please see Barb in Dr. Manley's office.

## Call for Nominations for Senate Elections of Staff 1997

The Senate will hold elections during the months of February/March 1997, to elect a member of staff to the Senate. One vacancy exists for a three-year term until 2000. All employees of the University who work more than 14 hours per week and who are not members of Faculty, are eligible to nominate and to vote. All employees of the University who work more than 14 hours

per week and who are not members of Faculty, are eligible for election to the Senate. Nomination forms are available in Dr. Manley's office. Completed forms should be returned directly to the Secretary of the Senate, no later than **4:00 pm, Thursday, February 13, 1997.**

## Resident Stuff

The Prentice Award for Teaching is given by the residents to the individual who they feel did the most for their education in that year. Past winners are:

1992 Dr. R.S.A. Prentice  
1993 Dr. I Young  
1994 Dr. S. Ford  
1995 Dr. A. Fletcher  
1996 Mr. L.A. Kennedy

#5 "I'm sorry, Dave. I'm afraid I can't do that."

## Grants & Deadlines

### Crohn's & Colitis Foundation of Canada

Two calls for applications. **The Armstrong Ontario Fellowship in Nutritional**

**Sciences Related to IBD.** This Fellowship was created as a result of a bequest which stipulates that the funds be used in Ontario for the support of nutritional research in inflammatory bowel disease (IBD) particularly Crohn's disease. This is a limited term fellowship. The Fellowship will be for a maximum of three years, not to exceed \$40,000/annum. Deadline is **April 1, 1997.**

The second grant will fund novel or innovative approaches to Inflammatory Bowel Disease research. This is an annual award with a maximum stipend of \$20,000. Deadline for submissions of applications is **April 1, 1997.**

#### **Canadian Space Agency**

The Canadian Space Agency is pleased to announce opportunities for Canadian researchers to participate in the international program of spaceflight research on the NASA space shuttle and early phase of the International Space Station.

This is the first of a continuing series of annual announcements released simultaneously by NASA, NASDA, ESA, CNES and DARA as well as the Canadian Space Agency. Each agency is responsible for the support of successful proposals within its jurisdiction.

Proposals from individuals who are not Canadian citizens or landed immigrants should be directed to the appropriate agency. The Canadian Space Agency will accept proposals **only** in the following areas of interest: 1) Bone Demineralization; 2) Muscle Atrophy; 3) Cardiovascular Physiology; 4) Metabolism; 5) Developmental Biology; 6) Radiation Biology; 7) Radiation Dosimetry; 8) Neurophysiology.

**Deadlines:** Letter of Intent submitted to the Canadian Space Agency, **February 28, 1997.** Proposals due to the Canadian Space Agency, **March 15, 1997.** For Canadian investigators - proposals submitted through any other agency but the CSA will not be considered for funding. For further information see Barb in Dr. Manley's office.

Please note that the due date for receipt of the Letter of Intent for the External Grants Program competition is **February 28, 1997** for the upcoming April 1997 cycle.

Based on the strength of the Letter of Intent, the Foundation's Grant Review Committee will select for further review scientifically sound projects which most closely adhere to the priority funding areas described in both the guidelines of the Letter of Intent, and in the guidelines of the application form.

Applicants who successfully pass through this phase of the process will be requested to submit a full application, due by **April 18, 1997.** For a copy of the "Exclusive Criteria" see Barb in Dr. Manley's office. For application forms and guidelines, including those for the Letter of Intent please contact the Foundation's Grants Program Coordinator by phone (416) 813-6101 or by fax (416) 813-7310.

##### **The Top 12 Things You Don't Want to Hear From Tech Support:**

# 4 "In layman's terms, we call that the Hindenburg Effect."

#### **TransCoop Program**

The German-American Academic Council Foundation (GAAC), in agreement with the Alexander von Humboldt Foundation (AvH) and the German Ministry for Education, Science, Research and Technology will make TransCoop Program funds available in 1997 to support research projects between German, US-American and Canadian scholars in the humanities and social sciences, economics and law. Joint projects may also relate to problems of the natural sciences, including the engineering and life sciences.

Projects selected for funding can receive a total of DM90,000 (US \$60,000) each. Funding has to be applied for in German currency (D-Mark). The maximum duration of sponsorship for each projects is three years. The deadline for receipt of all documentation is **June 30, 1997**. For further information please call the Office of Research Services (7316).

### **Corporate Higher Education Forum**

The Bell Canada Forum Award and the Hewlett-Packard (Canada) Ltd. Forum Award are offered to promising researchers carrying out collaborative industry-university research and development. Two awards are given each year in the amount of \$5,000 each. Each member of CHEF, University or Corporate, is invited to nominate two individuals for this competition. Please contact Sandra Crocker (6933) at the office of the Vice-Principal (Research) if you would like to submit the name of a candidate for the 1997 competition. Deadline for receipt of nominations is **May 15, 1997** in the office of the Vice-Principal (Research).

### **Principal's Development Fund 1997-98**

The Committee of Principal, Vice-Principals and Deans has decided again to allocate

\$140,000 from the Principal's Development Fund to the upgrading of our classrooms. The 97/98 Principals' Development Fund is categorized as follows:

#### **Category A**

Applications for support of visiting scholars may be made to a fund of up to \$50,000 apportioned to and administered by the faculty deans to encourage academic visits by women, visible minorities, aboriginal peoples and people with disabilities. Apply directly to Deans.

#### **Category B**

**B1** A sum of \$190,000 is allocated to the Advisory Research Committee from the PDF in addition to the General Research Grant from SSHRC to fund the following three objectives:

- i) to provide support to new faculty members to assist them in beginning their research programs and in obtaining external funding.
- ii) To provide seed funding in support of new research initiatives for established faculty members.

Applications under sections I and ii must be submitted on ARC forms by September 15 for the 1997 competition (**note this application date is under review and may be changed**).

**B2** A sum of \$100,000 is

allocated to the Office of Research Services to provide conference travel support for new and established researchers. Applications are accepted on September 15, January 15 and April 15. Application forms are available from the Office of Research Services.

### **Technology Partnerships Program**

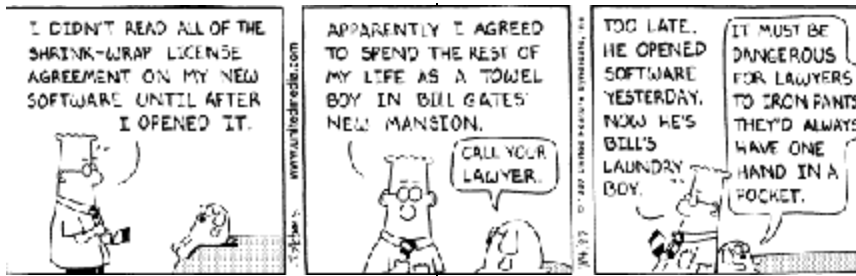

The Technology Partnerships Program (TPP) was announced in January 1995 as a three year pilot program. At this point there is no indication that it will be extended. Applications for funding will be accepted until **December 31, 1997**.

Prospective applicants are advised to allow ample time to complete their proposals before the deadline. Applications are submitted on NSERC form 100 and form 101, following the TPP application guidelines and are accepted at any time. For further information, guidelines and application forms, please call the office of the Research Services at 6081.

### **Canadian Cystic Fibrosis Foundation**

There will be an April competition for Fellowships and Student ships in 1997. Renewal applications will not be accepted into the April competition, even if the initial award came through the April competition. Applications must be received at the Foundation

office on or before **1 April 1997**. Applications and further information is available from the Faculty Office, 237 Botterell Hall.

### RP Research Foundation - Fighting Blindness

The RP Research Foundation - Fighting Blindness is offering the following programs for the 1997-98 academic year: Operating Grants, Fellowships, Student ships and Scholarships. Further information is available in the Faculty office, 237 Botterell Hall.
